When you come to our campus, we know you'll feel something special.

NCC is a welcoming and warm community that values connection with students, staff and families. On campus, you'll hear the buzz of conversation, the warmth of laughter and perhaps even the sound of our farm animals in the near distance! The beautiful and extensive grounds create a sense of wonder and promote wellbeing with space for creativity, physical activity and play.

Within this vibrant community, you'll discover a multitude of facilities. There are ovals, kitchens, vegetable patches, libraries, playgrounds, a theatre, art studios, music rooms and more. You'll instantly feel part of an inspiring community. Most of all, you'll see that NCC will give your child an experience that will change the way they see the world, expand their sense of what's possible, and equip them with the skills and confidence to embrace a promising and purposeful life.

“

When we started to look at schools, NCC stood out above the rest. From the moment we arrived at NCC, we were impressed. We chose NCC not only for its academic excellence but also because it embraces and reinforces our family's Christian values. The nurturing environment and passionate staff have played a vital role in our son's spiritual and moral development.

Valuing what matters most.

We believe we understand what parents, pupils, staff, and community value and deliver this in line with our mission, Christian beliefs and educational philosophy. In everything we at NCC do, there are three things that we value the most – Security. Support. Success. Our students are encouraged to pursue excellence and reach their full potential in a high challenge – high care environment.

Security.
Support.
Success.

6

NCC provides what families value.

A CULTURE GUIDED BY CHRISTIAN PRINCIPLES THAT FOSTERS CARE AND SUPPORT FOR EACH INDIVIDUAL WHILE NURTURING CHILDREN ON THEIR EDUCATIONAL PATH.

Undeniably at NCC, we are guided by Christian values and Christ's teachings for all people within our community. We believe that the Bible is inspired by God and serves as a guide for our lives and relationships. Our school life is based on a biblical framework that informs every aspect of our curriculum, pastoral care, and community service programs.

With our educational philosophy, we believe strongly in the broader purposes of education, which include the economic as well as the development of the whole person – a “holistic” education. This extends to providing a moral and spiritual education that explores Christian teachings and faith.

For us, a ‘well-schooled’ young adult will be:

- **a person of good character,**
- **socially well-connected,**
- **keeping healthy habits,**
- **possessing substantial knowledge and know-how to learn and**
- **wise**

the **NCC**
Teachers.

DEDICATED AND COMPASSIONATE, NCC TEACHERS EXCEED EXPECTATIONS IN THEIR COMMITMENT TO STUDENTS, CONSISTENTLY GOING ABOVE AND BEYOND.

JUNIOR SCHOOL TEACHING COORDINATORS

Jo Dutton: Prep to Year 3 Coordinator

Annette Dougherty: Year 4 to Year 6 Coordinator

Our commitment is to foster a nurturing and inspiring learning environment. We strive for academic excellence, and our supportive and compassionate approach reflects our dedication to our students' growth in education as well as in character development. Watching our students thrive under our teachers' guidance is incredibly rewarding. We believe that we are shaping future leaders who will excel in all aspects of life. We are deeply grateful for the trust parents place in us and the opportunity to provide an environment where students can flourish.

MIDDLE SCHOOL – HEADS OF HOUSE

Benjamin House: Jacob Lovejoy

Dan House: Sami Caldwell

Judah House: Alana Gread-Power

Levi House: Kate Zischke

As Middle School Heads of House, working with 11-15 year olds is both a privilege and a rewarding journey. Our role is not just about teaching; it's about nurturing young minds during a crucial phase of their development. Our focus is not only on academic excellence but also on creating a safe and supportive environment where students can explore their interests, develop crucial life skills, and build lasting friendships. Watching our students grow and discover their potential brings us immense joy.

We are grateful for the trust and support of both parents and students. Together, we are shaping confident, capable, and compassionate young individuals who are poised to excel in the ever-changing world.

SENIOR SCHOOL – YEAR LEVEL COORDINATORS

Year 10 Coordinators: Amber Smith and Matt Power

Year 11 Coordinators: Chris Garrett and Kate Wearmouth

Year 12 Coordinators: Tim Lanham and Trisha Walkden

Collaborating with adolescents aged 15-18 is a distinctive and fulfilling experience. Our responsibility entails guiding and encouraging these emerging adults through a pivotal phase of their education and individual advancement.

In the Senior School, we prioritise excellence across the board, including the cultivation of essential life skills, the nurturing of character values, and fostering of leadership attributes. Our approach is tailored to this age demographic's distinct prerequisites and aspirations.

We are extremely pleased to witness our senior students' cognitive growth and personal maturation. We firmly believe that the development we refine today will empower them to adeptly navigate the trials of adulthood and emerge as future leaders.

Meet the **NCC** School Captains.

WITH PASSION, PRIDE, AND UNWAVERING DEDICATION, OUR SCHOOL CAPTAINS EXEMPLIFY SERVICE AND LEADERSHIP WITHIN THEIR COMMUNITIES.

NAMBOUR
CHRISTIAN COLLEGE
SOW TO HARVEST

HEAR FROM OUR SCHOOL CAPTAINS

We understand that well-being is a multifaceted concept that encompasses various dimensions of our lives.

At our school, every staff member is dedicated to ensuring the well-being of our students. We approach well-being through an attachment and interpersonal neurobiological framework, recognising the importance of secure interpersonal relationships and acts of empathy and kindness in fostering a positive learning environment.

We value the quality of relationships within families and the wider community, as they greatly influence our students' well-being.

Additionally, we embrace the Six Ways of Well-being: Connection, Be Active, Give, Keep Learning, Take Notice, and Explore Faith and in our Junior School we facilitate the Roots of Empathy program which educates both the heart and mind and focusses on the long term to build the capacity of the next generation in responsible citizenship. These principles guide our approach to supporting students in their spiritual, social, cognitive, physical, and emotional development.

We understand that connection and positive relationships play a significant role in shaping students' learning experiences and overall comfort. By fostering a sense of belonging and encouraging healthy connections with others, we create an environment where students can flourish academically and personally. We also recognise the importance of working closely with parents and involving them in their children's well-being journey. We understand and acknowledge that families are integral to the lives of our students and having secure and connected families are the key to wellbeing.

At NCC, our commitment to student well-being extends beyond the classroom to include our assemblies, Applied Christian Studies classes, weekly chapel services, service activities and year-level camps and more. Recognising that we are all interconnected and reliant on one another, prioritising well-being, we aim to create a nurturing and empowering environment where students can thrive and reach their full potential.

Student Wellbeing at NCC.

AT NCC, THE WELL-BEING OF OUR STUDENTS IS AT THE HEART OF EVERYTHING WE DO. WE FIRMLY BELIEVE THAT WELL-BEING IS NOT ONLY NURTURED BY THE GOSPEL AND TEACHINGS OF JESUS CHRIST BUT ALSO BY CREATING A SUPPORTIVE AND INCLUSIVE COMMUNITY.

66

At NCC, we are committed to nurturing the holistic well-being of our students, creating an environment where they can thrive academically, emotionally, and spiritually. Our focus on well-being is driven by the belief that when students feel supported, connected, and valued, they are empowered to reach their full potential and lead fulfilling lives.

Our College provides three main areas of our service opportunities:

18

At your service with **NCC.**

AT OUR CHRISTIAN SCHOOL, WE OFFER A RANGE OF SERVICE TRIPS THAT ALLOW OUR STUDENTS TO MAKE A MEANINGFUL IMPACT ON BOTH LOCAL AND GLOBAL COMMUNITIES WHILE GAINING VALUABLE LIFE LESSONS. THESE SERVICE OPPORTUNITIES COME WITH SEVERAL BENEFITS FOR THE STUDENTS WHO ATTEND:

1 PERSONAL GROWTH

Our service trips provide students with the chance to step out of their comfort zones and develop important life skills such as teamwork, empathy, and leadership. They learn to adapt to new environments and gain a deeper understanding of the world's diversity, helping them grow as individuals.

2 SPIRITUAL ENRICHMENT

Service trips align with our Christian values, providing students with the opportunity to serve God and fulfil His vision and purpose for them. Engaging in acts of service allows students to put their faith into action, deepening their spiritual connection and understanding of their role in God's plan. This sense of spiritual fulfilment and purpose can be a profound and life-changing benefit of participating in our service trips, as students experience firsthand the joy that comes from serving others in accordance with their faith.

3 BUILDING STRONG CONNECTIONS:

Through fundraising, volunteering, and participating in various projects, students have the opportunity to forge strong connections with their peers and the communities they serve. These connections foster a sense of belonging and teach the importance of building meaningful relationships

4 GLOBAL PERSPECTIVE:

Our international service trips offer students a unique chance to explore different cultures, broaden their horizons, and gain a global perspective. Experiencing firsthand the challenges faced by communities around the world helps students develop a greater sense of social responsibility and a commitment to making a positive impact on a larger scale.

Pathways abound at **NCC.**

Senior School at **NCC.**

The Senior School at NCC signifies an invigorating phase for students in Years 10-12.

Guided by expert Senior educators and empowered to select from a robust curriculum spanning ATAR and Vocational Education subjects, students also engage in enriching personal development programs, service expeditions, and outdoor education ventures.

Within this nurturing environment, NCC's senior students cultivate essential competencies, self-assurance, and ambitions that propel them towards success beyond their schooling years.

Rooted in values and framed within a Christian ethos, our education model fosters a school community marked by respect, thoughtfulness, and exemplary conduct. This ethos greatly enhances the quality of learning interactions, fosters a sense of joy in learning, and strengthens our closely-knit community.

We present an expansive and dynamic academic curriculum catering to those aspiring for higher education, as well as progressive Vocational Education pathways designed for students interested in apprenticeships and alternative post-high school avenues. As part of this holistic approach, we collaborate with local businesses to provide an array of work experience opportunities across all year levels. Ultimately, the collective objective is for each student to achieve their Queensland Certificate of Education upon their graduation from NCC in Year 12.

Careers & Pathway planning at **NCC:**

NCC has a dedicated Careers and Pathway Coordinator to help students understand and navigate their career subject choices in order to help them be best placed for their future career. We also have a dedicated careers website to help students and their parents find out as much information as possible for future pathways.

Performance & Instrumental Music at **NCC.**

THE RENOWNED NAMBOUR CHRISTIAN COLLEGE **PERFORMANCE AND INSTRUMENTAL MUSIC PROGRAM** IS A PERFORMANCE-BASED PROGRAM THAT ENGAGES THE STUDENT IN LEARNING AN INSTRUMENT OR VOICE FROM PREP TO YEAR 12. THIS PROGRAM SEEKS TO PROVIDE STUDENTS WITH OUTSTANDING OPPORTUNITIES TO GROW IN THEIR MUSICALITY AND CONFIDENCE, AS WELL AS THE FUNDAMENTAL AIM OF THE COLLEGE TO GROW EACH STUDENT'S CHARACTER.

Students are enrolled in instrumental music group and individual tuition across a broad range of instruments, including:

- Piano – electronic keyboard and piano
- Strings – violin, viola, cello, double bass
- Percussion – drums and percussion instruments
- Guitar – electric, acoustic and bass guitar
- Brass – Trumpet, French Horn, Trombone, Euphonium, Tuba
- Woodwind – Flute, Clarinet, Bass Clarinet, Alto Saxophone, Tenor Saxophone, Baritone Saxophone, Oboe, Bassoon
- Vocals

NCC also hosts regional Australian Music Examinations Board (AMEB) and Trinity College examinations each year. Further evidence of the quality and depth of the NCC Performance and Instrumental Music Program is reflected in the performance of NCC students at the annual Sunshine Coast Eisteddfod with over a third of entries resulting in places.

The students also come together to play locally and internationally in a variety of age and skill-based bands and ensembles including

- Year 4 Concert Band
- Junior School Concert Band
- Middle School Concert Band
- Wind Symphony
- Stage Band
- String Ensemble
- Junior, Middle and Senior School Chapel Bands
- Various brass and woodwind ensemble
- Junior, Middle and Senior School Chapel Bands, choirs and vocal groups

Music Tours at NCC.

NCC offers a remarkable opportunity for music students to immerse themselves in the world of music, travel, and experience personal growth. This exceptional experience provides substantial benefits for the students. The music tour acts as a platform for students to elevate their musical skills and talents. Through rehearsals, performances, competition, and exposure to a wide array of musical genres, students can expand their horizons as musicians. The exposure offers then invaluable experiences and insight into various musical styles and techniques, ultimately fostering a deeper passion for music and refinement of their skills.

A UNIQUE ASPECT OF NCC IS OUR FULLY-FUNCTIONING AGRICULTURAL FARM (BERAKAH FARM) WHICH IS ALSO HOME TO OUR AWARD-WINNING NCC BERAKAH MINIATURES SHOW TEAM (MINIATURE HORSES).

LEARN MORE ABOUT OUR FARM AND AGRICULTURAL SCIENCE PROGRAM

We have an impressive offering that provides an outstanding educational experience for students across the College and especially those who choose to be part of the Berakah Miniatures program or study agricultural science. Students learn how to plant crops, manage cattle, horses, poultry and bees as well as plant propagation and nursery management.

The farm provides students with a hands-on understanding of how food is grown, produced and sold.

The Big Shed offers space for washing vegetables, plant propagation, honey extraction and mixing fertilisers. The Big Shed also has a cold room, office and sales counter that form a retail outlet for vegetables, eggs, honey, seedlings and nursery plants.

Farm subjects offered at **NCC**:

- Certificate II in Rural Operations
- Agricultural Science (Years 7-12 and as an ATAR Subject)

What makes up the **NCC** farm?

- Student classroom for agricultural science lessons
- Animal shed with miniature horse stables
- Cattle yards for handling and husbandry of our beef cattle
- Training arena for teaching students animal handling skills and preparing for shows
- Pastures for miniature horses and cattle
- Orchard where a variety of citrus fruits are grown
- Beehives from which students harvest and sell honey
- Vegetable gardens for Middle and Senior School students
- Plant nursery and a hothouse for plant propagation and vegetable seedlings
- A miniature show horse team for Middle and Senior School students

WATCH A SNIPPET OF THE YEAR 12 CAMP

We consider outdoor education an essential part of our curriculum offering.

STUDENTS LOVE GOING ON CAMP AND IT IS ALWAYS A HIGHLIGHT OF THEIR SCHOOL YEAR.

Outdoor Education has many benefits for learning (from indigenous perspectives, geography, geology, environmental studies, natural history, ecology, campcraft, problem solving and outdoor sports pursuits just to name a few), but it is through individual experiences in the outdoors that students gain many life skills that enable them to grow and develop personally.

Camps, both on the Sunshine Coast and further afield, are carefully designed to complement one another and have been sequenced for gradual acceptance by children/parents who have not experienced times of separation and independence.

Resilient, Determined, Humble, Compassionate

A NCC graduate is confident and compassionate, independently focused yet community oriented. They are optimistic and motivated individuals yet become wonderful contributors and problem solvers in teams, organisations and communities, ultimately making a difference to our world.

Our graduates go on to pursue careers or further study that align with both their values and ambitions. Most of all, they're great people who ask great questions, listen intently and are happy for others who experience success. They understand the value of their Christian roots at NCC and the connections they've established at NCC.
